HAVE AN INTEREST IN INVESTING IN
THE MINING INDUSTRY IN MEXICO.**

We have mines
whose prospecting
has already been
endorsed by experts.

A satellite image of Mexico and the surrounding Gulf of Mexico. The land is shown in shades of brown and tan, indicating arid or semi-arid terrain. The water is a deep blue, with white clouds visible on the left side of the frame. The Gulf of Mexico is the large body of water to the east of the Mexican mainland. The Baja California Peninsula is visible at the bottom right of the image.

We are co-owners of the mines and we are authorized by our partners owners of the 127,000 hectares to enter into negotiations with any investor who wants to invest in the Peninsula of Baja California.

The studies made to our deposits have given us the following results:

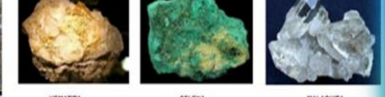

- Rio 7 gr Au/ ton
- Sand 10 gr Au/ ton
- Rock 4 to 10 gr Au/ ton

***If our future
investors want to
conduct their
own studies, we
are open to it.***

We accept investment
proposals.

A group of seven miners are walking towards the camera on a dirt path. They are wearing hard hats, safety glasses, and high-visibility vests. Some are in dark blue jumpsuits, while others are in white shirts and khaki pants. In the background, a large yellow mining truck is parked. The scene is set in a mining environment with a rocky hillside in the background.

**YOUR CAPITAL WILL PROSPER AS LONG AS YOU TRUST
THE VIRTUES OFFERED BY THE OPPORTUNITY TO INVEST
IN BAJA CALIFORNIA.**
